

Jones Memorial Library
Trustee Meeting Minutes
May 17, 2022
6:00pm

Meeting was called to order at 6:07pm. Present were Joanne Williams, Sandy Wilcox, Joan Huguenin, Laura Lamonda and Director Jeanette Powell.

Sandy motions to approve April's meeting minutes. Joanne seconds the motion. All in favor.

The financial report was reviewed and approved. Jeanette is thinking it would work to trim \$1,000 from the book budget and \$1,000 from the program budget to make up for the \$2,000 lost from the Westmore tax appropriation money.

Jeanette will reach out to Bridget Carbonetti from Orleans Elementary School to ask if they need volunteers at their book fair.

Program ideas were discussed. Joanne will contact the Northwoods Stewardship Center. Jeanette will look into Sandy's idea of the worm ladies from Greensboro.

Storytime is on hold while the library gets ready for the summer reading program. Trustees believe that if Mary is unable to host storytime certain weeks then it is Jeanette's job to do so.

Joanne would like to see reminders about the monthly adult book club and is willing to send out emails to help with that. Jeanette will ask members about summer months and whether there should be a pause because everyone is busier during the nicer months.

Signage will be up soon.

Jeanette will order the new vacuum cleaner soon.

Jeanette is working on grant. Ideas discussed were large print books, equity books, furniture to help with social distancing and outdoor seating. She will contact someone to get a better idea.

Joanne read her added questions to the village survey. Jeanette will ask the Department of Libraries for advice on how to word sensitive topics. All agree that there could be a separate page asking if people would like to volunteer and in what capacity. They can put their name on that page and then the survey itself can remain anonymous if people choose for it to be so.

Meeting was adjourned at 7:06pm.

Next meeting will take place on June 21, 2022 at 6pm.
